*As Jesus walked with his companions, “he told them the things about himself as revealed in all the Scriptures.”*

*What an education! “Their hearts burned within them as they listened to their master.”*

*(Luke 24, 27, 32).*

The Religious Education programme for Catholic Primary Schools in Aotearoa, New Zealand is an integral part of the school’s Curriculum. Religious Education is taught as the first lesson of the day, enabling students to grow in their understanding and appreciation of the Catholic Faith. Reflection, Prayer and Mass are central to the adventure of Catholic Education and the Holy Eucharist is the source and summit of our faith.

Each year we seek feedback as we review the Catholic Special Character of our school. This year our focus is on the RE (Religious Education) Curriculum.

We would appreciate your help by the end of this term in two ways:

1. Discuss with your students their RE learning and complete the parent feedback form

2. Encourage and help your students to complete the short student surveys below.
