

Dear Parents / Caregivers

The students in Room Seven will be making 'Matariki Biscuits' on Monday 17 June.

The students are working in groups and the groups have decided on a suitable recipe for their group to make as well as the ingredients and equipment each student will bring.

On Thursday, Room Seven will be sharing our Matariki Biscuits with the senior syndicate students as part of our 'Senior Syndicate Matariki Sharing'.

Thank you for your assistance with this.

Yours sincerely

Stephanie Johnson  
Room Seven Teacher
