

9 May 2019

Caritas Challenge (Integrated Curriculum - Social Action)

Who: Students in the Ranginui and Papatuanuku Syndicates (in House Groups)

When: Thursday 16th May 9am to 3pm

What:

1. Walk from Caroline Bay to St Joseph's School
2. South Sudanese diet for the school day (fruit for morning tea and rice for lunch - this is optional)
3. South Sudanese activities and games in the afternoon at school

Why: To experience aspects of daily life similar to a South Sudanese child, and build solidarity with those living with poverty or injustice, through hands-on experiences that are fun and informative, while raising funds.

How:

1. Students are to be dropped off at the Caroline Bay playground, near the spider's web climbing frame, by 9am. No bikes or scooters please. Students should be in sports gear with school bags, jackets, water bottles, fruit, and their lunch if they are not participating in the South Sudanese diet activity. There will be no Spud Supreme orders next Thursday. Students will not need their device that day.

2. South Sudanese Diet - at morning tea eat fruit only (bring your own) and at lunchtime a bowl of rice (provided by the school). Please complete the Google Form before Tuesday 14th May so we know what your child is eating for lunch:

[Caritas Social Action Lunch - rice or lunch from home](#)

3. Students in class groups participate in South Sudanese games and activities for the afternoon.

Fundraising: This is our Caritas Lent Fundraiser and Integrated Curriculum social action for 2019.

We suggest that students are sponsored for completing the above activities by collecting donations of \$5. Multiple donations per student would be much appreciated. Please complete the form on the next page and return it to school by Thursday 23rd May. A paper copy of this will be sent home with each student.

Kind regards,

Trish McCambridge
